

# 為何要更新及在基督裡轉化生命？

## Why conversion and transformation in Christ?

Holy Bible emphasis throughout the Israelites history; what God demands from the world? What God wanted us to acknowledge from the Mount Sinai. How Moses worked hard to lead thousands of people toward the Promised Land. How Jesus talked with a Pharisees named Nicodemus a member of the Jewish ruling council? I believe that two key points: 1. Conversion and 2. Transformation of our mind, heart, soul which permit us to be the children of Holy God.

Thousands of Nepalese migrated in Hong Kong thinking they might have more opportunity and prosperous life indeed that is acceptable if we compare Hong Kong and Nepal. But when people started their life then Hong Kong life style demanded many things which were unexpected to newly migrants. Require to confront many challenges, difficulties, trials, cultural boundaries, new language and different taste of food etc. In short history of newly migrant people; what this world demands us?

I believe again two points: 1. Conversion and 2. Transformation.

How do we distinguish there two points as a true Christian and think ourselves and others?

Devine conversion and transformation:

1. God demands, “come to me, all who labor and are heavy laden, and I will give you rest. – Matthew 11:28
2. Jesus stood up and cried out, “If anyone thirst, let him come to me and drink.” - John 7:37
3. You refuse to come to me that you may have life. – John 5:40
4. When he had said these things, he cried out with a loud voice, “Lazarus, come out. - John 11:43-44

Let us think above 4 points exactly opposite ways I think that is demand of this world.

There are enough people in Hong Kong they need conversion Jesus' way. Even ethnic minority community seeking true “Conversion and Transformation.”

Let us make very brief statistic of Nepalese community:

1. There are around 35 thousands of Nepalese living in Hong Kong.
2. Most of the male work as security guard and building construction and few work as professional .
3. Most of the female work as restaurant worker, elderly home, housekeeping, restaurant and only few work as professional
4. There are 12 Nepalese churches in Hong Kong, there are around 700 Nepalese Christian within 12 churches

5. Nepalese community accepted by Hong Kong Immigration due to their birth while parents served as British soldiers in Hong Kong.
6. Nepalese belongs to the culture of Hinduism dominant country.

God has allowed me to serve through Nepali Union Church, 3/f, 3A Waterloo Road, Yau Ma Tei, Kowloon, Hong Kong. the congregation is around 70 which include children and parents and all. Our faith statement: we serve and rely in the Trinity God of Christian faith. And focus on our Lord's commission - Matthew 28: 19.

I would be pleased to mention that recently a huge Nepalese global leaders conference held in Hong Kong at Chinese YMCA, Wu Kwai Sha Youth Village. There was 318 Nepali Leaders participated the conference globally. Few were the missionaries who are serving among Nepalese community in Nepal and India. And 200 Nepalese Christian were able to join these three days conference from Hong. The working committee organized the 8 workshop in different topic related to cross culture mission. There we came to the conclusion that how we approach the cross culture mission and how to develop the network too. Rev. Raju Baraily was coordinator from Hong Kong working committee. We glorify our almighty God how we are given His responsibility of herald that let people without Christ receive true “Conversion and Transformation.”

Nepali Union Church praying how we approach the cross-culture mission through Hong Kong to Nepal, India and globally. We are praying for church planting especially southern part of Nepal where poor farmers working hard to produce harvest for whole nation. The Christianity rapidly growing in Nepal. Let more soul receive the eternity in Christ, therefore we humbly pray our Lord to use us as His useful vessels.

I love to share and invite all of us in 1 Corinthians 12 – 31 :

how beautiful to be part of single body and work together, remain together, approach the goals and visions together. Share the burden and joy together even though we are different part of body of Christ.

I humbly invite: In Christ move toward the cross-culture mission more effectively through the will of Holy God. In our unity, love and service let our neighbors see hope of true Conversion and Transformation.
